Moslow) or through Paypal

Payment must be made prior to group
**If you are an EMDR clinician, hours can
count toward certification if you present
an EMDR case.

My goal is to pair my lived experience and
clinical expertise so as to take a deeper look
into the realities of the trauma associated
with adoption, elevate awareness of the
adoptee experience and empower clinicians
with tools to become more comfortable and
effective with promoting healing for this
population.

Adoption Focused Virtual Group Consultation

With Marcella Moslow,
LCSW, RPT

Trauma Therapist

Transracial and

Transnational Adoptee
